Rodriguez v. Commissioner of Social Security
20 CV 9040-LTS

NOTICE

The District Judge has referred this Social Security case to one of the Court's Magistrate Judges for a Report and Recommendation. Magistrate Judges are judges selected by the District Judges to serve for terms of eight years. Magistrate Judges are highly qualified and very experienced.

You have an option to agree to having the Magistrate Judge to whom your case has been referred decide your case instead of recommending a decision to the District Judge who would then review the Report and Recommendation and address any objections to it. If you consent to having the Magistrate Judge decide your case, the Magistrate Judge replaces the District Judge, thereby speeding up the resolution of the case (because only one judge instead of two will be involved in your case). Any appeal from a Magistrate Judge's decision following consent is directly to the United States Court of Appeals for the Second Circuit in the same way that an appeal from a District Judge's decision would be taken.

If you do not consent to having the Magistrate Judge decide your case, then the Magistrate Judge will issue a Report and Recommendation and the District Judge will consider any objections either party has to the Report and Recommendation before a final judgment is entered in your case.

Both you and the Commissioner of Social Security must consent in order for the Magistrate Judge to decide your case. If you do not consent, there will be no adverse consequences. If you wish to consent, please sign the enclosed form and mail or hand deliver it to Lisa Ahearn, Civil Clerk's Office, Office of the United States Attorney for the Southern District of New York, 86 Chambers Street- Third Floor, New York, New York 10007. The United States Attorney's Office will arrange to have the consent form signed by the District Judge.
